Authorship and AI-Assisted Content

Some written content on this website has been developed with the support of AI-assisted drafting tools to enhance clarity, consistency, and structure. These tools are used solely in a support capacity under the editorial oversight of Division Management and Design.

All conceptual framing, strategic insight, and final editorial responsibility rests with Eric Teunissen, CM. Content prepared with AI assistance is reviewed and approved by a qualified editor to ensure it meets professional, factual, and ethical standards.

The use of AI tools does not substitute for original authorship or independent professional judgment.
